RECORD OF PROCEEDINGS

BOWLING GREEN TOWNSHIP

BOARD OF TRUSTEES

Held: February 23, 2010

Jack Hedges thinks there should be signs posted so no one parks in the cul de sac. Trustee Watkins said they have had some trouble with people parking on a cul de sac. He thinks next time it happens the vehicle should be towed.

Ron Duval wanted to know if the Transient Vendor resolution will prevent companies that residents might want selling in the area. Trustee Watkins said if the pass it, it would mean they can sell but must have a permit.

Will Kern asked if there has been any progress made in finding out if the old post office building can be torn down. Buckeye Lake has figured out a way to get grants to do it and maybe the trustees should look into getting a grant. FO said the one grant that she knows about, has to be given to the land owner and the informtion was given to the owner of the property.

Trustee VanBuren made a motion to pay the bills; sign purchase orders and blanket certificates, and the bank statement. Trustee Watkins seconded the motion. Motion Carried. It is lawfully certified that the amount \$ 10.666.57 is lawfully appropriated to pay the bills by the fiscal officer.
