Public Comment

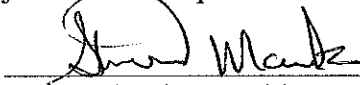

Fred Habenschuss asked for any assistance the board could give him on a situation he's having with his neighbor. He would like to know if there are any regulations on chickens in the front yard. The board let him know there really isn't anything to prevent someone from putting chicken coop in front yard. The neighbor is also cut down a couple of trees from his property. Trustees suggested having his property surveyed to find property lines. Mr. Habenschuss also asked if there were regulations on fence height because he is planning to install a fence.

Next month's regular business meeting will be held on Monday September 26th instead of Tuesday the 27th.

Trustee Hupp made a motion to adjourn the meeting. Trustee VanBuren seconded the motion. With Business complete, the board adjourned at 7:44pm
