Paul Hester suggested trying to take up a collection for an attorney to fight the whiskey company. Trustees feel that would be extremely expensive and would probably not receive enough donations to hire an attorney. Carla Smith asked if the court has made a decision on their appeal. None has been made so far. She suggested the residents write letters to the judge. Trustee Hupp said the judge would not read them. They go by previous cases. Trustee Hupp talked to the EPA and they were planning a site visit.

Tammy Koerner, owner of the Bazaar at the Barn on Somerset Rd was present. She apologized for not coming to the trustees first, she was not aware she needed to. Her and her husband purchased the land and wanted a way to share it with community. They are currently not making money from the events they have held. They have had 3 so far, 1 per month. Trustees told her they would look into the issue further and report back to her.

Trustee Hupp made a motion to adjourn the meeting. Trustee VanBuren seconded the motion. With Business complete, the board adjourned at 7:48pm
