The township will not be receiving money for the road grant they applied for. The board will accept bids for chip and seal on Somerset Road and Honda Hills RD. Trustee Hupp made a motion to place a legal notice to accept and open bids at the next regular meeting on June 26, 2023. Trustee Mack seconded the motion. All in favor.

Public Comment: Carla Smith asked when the road crew would be mowing the grass along Mt. Hope. She said its hard to see deer crossing with the grass so high. The road crew is currently working on mowing and should have it done in the next few days. Carla also said there was about 15 tires dumped. The road crew will go out and pick them up and take them into the county.
