Zoning: Zoning inspector Greg Reis reported there were 2 lot splits. One on Open Woods RD and one on National RD. New house build in Dogwood, he turned down a request to add culvert in front yard. Container violation on Rank for being to close to property line. Roley Hills permit for new house, replacing burned house, allowing to have camper until house is complete. Owner of property in Linville with the burned house refused letter.

Unfinished Business: Trustee Hupp will get in contact with Greg Wells to sign contract for building. VB Fabrication is working on truck bed.

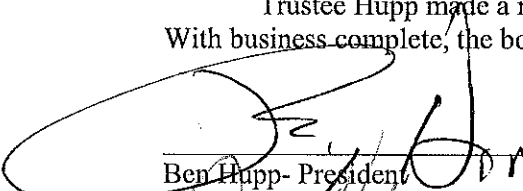

Public Comment:

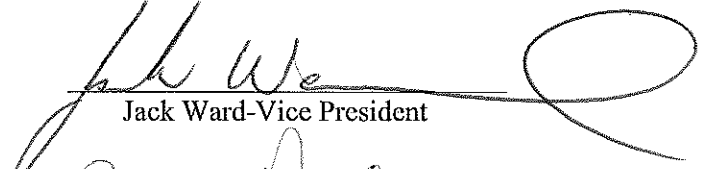

Paul Hester suggested putting up a sign along State Route 40 to keep the RT 40 corridor of our township clean since it's sometimes the only part of our township people see.

Carla Smith asked about the house on National RD between Linville and Loan Oak. There are frequently animals wondering into the road. She also asked if there has been a decision made on the court case with the whiskey company.

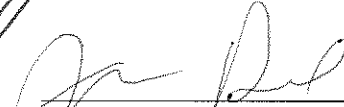

Don Watkins mentioned a property on Somerset Rd that has their front yard full of animals.

Trustee Hupp made a motion to adjourn the meeting. Trustee VanBuren seconded the motion. With business complete, the board adjourned at 9:31pm
