BOWLING GREEN TOWNSHIP

BOARD OF TRUSTEES

July 30th, 2024

Public Comment:

Paul Hester said the price for the property on Mt. Hope Rd has been reduced to 7 million. Zoning inspector said he drove back there to see if anything was happening on the property after some reports of activity. He said there is nothing going on there.

Minnie Hester asked if there was an update on the situation with the squatters on a property on National RD. Zoning inspector looked into it and the deed needs to be fixed because that small piece of the property was left out of the transfer.

BJ asked about getting a floor scrubber. Trustees discussed and told him to rent one to try it out before we purchase one.

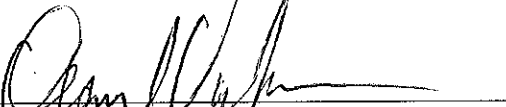

Trustee Hupp made a motion to adjourn the meeting. Trustee VanBuren seconded the motion. With business complete, the board adjourned at 7:34pm
